Jerry Ross
Partner

Key Experience

PE-backed Oil & Gas Exploration Company: As Chief Financial Officer, Jerry was responsible for all accounting, financial, tax, marketing, operations in the field, and administration functions. He performed all financial and accounting due diligence for the acquisition of 14,000 net mineral acres and 68 operated wells for a new private equity-backed startup company. Jerry was solely responsible for integrating and uploading all accounting records into OGSYS system within 3 days of receipt of electronic data files. Most notably, he closed on the sale of assets and finalized the closing of companies.

PE-backed Oil & Gas Company: As Chief Financial Officer, Jerry was responsible for all accounting, financial, and administration functions. He provided quarterly and annual reporting to the private equity partner and prepared all federal & state income & franchise tax returns. Jerry also coordinated year-end financial audits with no adjustments in 7 years.

Oil & Gas Development Company: As Chief Financial Officer, Jerry reported directly to the owners on all accounting, financial, and operational matters. He successfully eliminated bank-required financial audits from loan covenants. Jerry also negotiated contracts for the sale of oil & gas and spearheaded several 1031 tax-free exchanges. Most notably, he initiated a royalty audit resulting in \$1.8 million dollars to the owner.

Gas Corporation: As Controller, Jerry was the first employee and right-hand man for the owner of a new startup venture in the gas industry. He reported directly to the owner all financial & accounting responsibilities, preparing annual budgets and forecasts, updated quarterly for company review. Jerry also organized the coordination between each department within the company and assisted in several acquisitions of various companies in the gas industry. He filed rate cases with the Federal Energy Regulatory Commission and successfully filed rate cases with the Arkansas & Louisiana Public Utility Commission. Jerry also filed all monthly, quarterly & annual reports required by FERC. He aided in the acquisition of a company out of bankruptcy and later successfully aided in defending a very complicated tax position against the IRS that netted several million dollars in tax refunds.
